Shattered by his sister's brutal murder, a sculptor seeks revenge against those responsible Watch Aaruthra Online. In the US, Aaruthra is available on various streaming platforms. Two young women, an ostracized girl with green skin named Elphaba and a privileged aristocrat Glinda, form unlikely friendships in Land of Oz. Their contrasting personalities test their friendship as they fulfill their destinies as fairy tale characters. Studios, Vidyasagar; Genre: Feature Film Soundtrack; Length: 21:48; Language: Tamil; Label: Trend Music. The soundtrack was composed by Vidyasagar. The film received mixed reviews from critics. A reviewer from The Times of India gave it a rating of two out of five stars and wrote that the messages in the film, highlighting child abuse, looked good on paper but the execution fell flat. Sify also panned the film, stating that while the intention to deliver a message against child abuse was laudable, the film failed in its execution.
